

A Barn in the Barossa

Formerly the home of artist Jacqueline Coates and her family, Jacqueline now offers the double storey spacious 2 bedroom stone barn she renovated from scratch with the help of architect brother Nigel Coates, as self contained accommodation.

Kapunda is one hour from Adelaide Airport and fifteen minutes into the heart of the Barossa.

The Barn is located on the edge of the Kapunda township. Weekend stays and longer are available.

The bedrooms are upstairs in the former loft where hay was once stored. They each feature views across an abundant garden. Being a former artist residence, the walls are hung with original art works which are both from Jacqueline's private collection and from her current range as well as from her Salon Rouge Gallery artists.

A fireplace warms the entire space. Sink into the sofas with a book. Or arrange a painting lesson.

A fully equipped spacious kitchen ideal for cooking with friends invites you to prepare the local produce and match with Barossa wines.

The Barn is perfectly situated to enjoy the peace and rolling hills yet within a short drive of the wineries of both the Barossa and Clare Valleys. A few minutes walk takes you into the historic township of Kapunda with antique and coffee shops, an excellent museum, a comprehensive tourist information centre and general shopping facilities.

Jacqueline's Salon Rouge Gallery is open most days whilst the visitors centre hosts the Kapunda Community art gallery.

An artist trail map is available featuring five local artists with distinctive work and studios you can visit in the area.

The Barn sleeps up to 6 people, is fully self contained and provided with linen and towels, and a breakfast hamper. Firewood and kindling is supplied. It is also available for special occasions hire.
