

Jacqueline Coates Studio & Salon Rouge Gallery

Studio Mentorship Saturdays

Beginning in February 2010, there will be an opportunity to work creatively with Jacqueline Coates on painting and drawing projects of your choice in a studio atmosphere in a monthly get together. You can be a beginner or experienced.

This enables you to work on your own project ideas or series, with some peer support and in the inspiring creative workshop environment of Salon Rouge receiving the tuition you need to bring out your best.

The hours are 10- 5pm on the first Saturday of each month Feb – Dec inclusive (11 sessions) and the cost is \$100 plus GST per person per session.

Each session includes an informative talk and sometimes a workshop exercise from Jacqueline covering areas such as design, composition, colour, paint techniques which may be of use to you in your practice.

BYO lunch and art materials. You can phone Jacqueline prior to joining to discuss your project and what you might need to bring. There is a limit of six people per mentorship workshop. So you can either reserve your place for the year, or book in for a couple of sessions subject to availability.

Collage, drawing, painting, creating a series, creating some paintings for your home, getting in the habit of producing work, exploring your creativity, these are just some of the possibilities.

Tea and coffee and some refreshments provided. Loads of inspiration and encouragement on tap. Fun and sociable. Productive.
