## Estee Lauder Pleasures Bloom launch

Bloomeys, Kings Cross

**hit** What a classy, elegant and, dare I say it, pleasurable perfume launch. Picked up in limousines and delivered to a florist shop, guests were treated to breakfast canapes while surrounded by paintings of peonies by artist Jacqueline Coates. Each person left with a framed peony etch and Catriona Rowntree explained it must be hung outside your bedroom to encourage luck in love. Some nearly bolted home to hang it.

**miss** The guys making the coffee and serving the food were exceptionally handsome but flirting before 10am seemed, well, unseemly. **SHELLY HORTON**
